SUPPLEMENTAL RESPONSE

This is being filed as a supplemental response to the Amendment, Response and Submission of Replacement Drawings, mailed May 4, 2005. The Applicants include herein below the remarks on the Examiner's determination of double patenting in an Office Action, dated February 24, 2005.

REMARKS

The Examiner provisionally rejected the claims under 35 U.S.C. §101, as claiming the same invention as that of claims 1 through 20 of copending Application No.
